STORMER

STORMER

The new Tippmann Stormer is a completely modular .68 caliber marker for all levels of play.

The Stormer Series is available in 3 models allowing full customization. The Stormer Basic features our reliable in-line bolt system with a high-impact composite body.

The Stormer Tactical adds Tactical Front Shroud, Front / Rear Flip Up Sights and a 6 Position Collapsible Stock that completes the military look. The Stormer Elite allows you to switch between loader and mag fed configurations offering several different looks to switch between.
